

GUIDE to MEASURING

This simple guide has been developed during the coronavirus lockdown to help parents decide what size to order if sizing facilities are suspended .

The correlation chart for your school is shown on the webshop but relies on the correct chest and waist size being known. If sizing sets are unavailable for use this guide will help. As stocks were ordered based on normal yearly requirements we ask that you do not order several of each size and return unwanted garments as this will lead to stock shortages and slow down our operations in the warehouse which is working under new social distancing rules.

If the chest measurement is very close to a size and a pullover is to be worn under a blazer you may need to choose the next size up. Many thanks for your patience during the pandemic .

School Colours Direct

STEP 1 ²Measure the chest and waist with a tape measure.

STEP 2 ²Use the correlation chart below to choose the size needed.
